**THE SPORT HOUSES
ARE WAITING FOR YOU
TO TRAIN TOGETHER**

You'll find a place to share stories,
passions, meet local athletes and trainers.
Share your passion!

TOGETHER IN THE SPORT HOUSE PROJECT

Sport Houses are local selected Sport Clubs where athletes from all over the world **can train with local teams** and share their common passion, while building friendship and discovering the city.

Sport Houses is an idea by **Orangogo**, a company with the mission to **"help people discover their talent"**. Orangogo allows people to find their life changing passion, to discover the most convenient place to practice a sport, to get in touch with sport clubs and to buy easily and safely subscriptions.

YOUR SPORT HOUSE IS WAITING FOR YOU!

Train and share your sports passion.

Make new international **friendships**.

Meet coaches and sports of the territory.
